

What: SAWDC Worlds of Opportunity Career Expo

When: Wednesday, September 19th, and Thursday, September 20th, 2018

Where: Mobile Civic Center Arena & Expo Hall - Mobile, AL

Who's Invited: Approximately 10,000 Eighth Grade Students from Baldwin, Choctaw, Clarke, Conecuh, Escambia, Mobile, Monroe, Washington, and Wilcox Counties

Deadline: **September 10, 2018 - Must Confirm or Regret Participation in 2018**

On September 19th, and 20th, 2018, approximately 10,000 eighth grade students, teachers, school administrators, parents, industry leaders and volunteers will converge on the Mobile Civic Center in Mobile, for the eighth annual **SAWDC Worlds of Opportunity Career Expo**. **The purpose of the Expo is to create awareness about career options among students and educators.**

A project of the Southwest Alabama Workforce Development Council (SAWDC), the expo will be a fun, educational, hands-on opportunity where students will get a broad overview of jobs available in the region.

The 2018 SAWDC Worlds of Opportunity Career Expo for 8th grade students includes the following industry sectors:

- Aviation & Aerospace
- Computer & Information Technology
- Construction
- Energy
- Engineering and Design
- Healthcare
- Hospitality and Tourism
- Manufacturing
- Public Services
- Shipbuilding & Repair (Maritime)
- Safety

Business and industry leaders, workforce development and career center representatives, along with school representatives collaborate and partner on this event. For more information and to access additional resources, please visit www.worldsofopportunity.com.

All your resources are available online at <http://worldsofopportunity.org/Educators.aspx>. Prior to the event, event booklets will be delivered.
